ORDER:

In the references 1st read above, the Dist. Collector, Ananthapur has requested to consider the proposal for Augmentation of Chitravathi Balancing Reservoir based CPWS schemes – Construction of treatment plants at an estimated cost of Rs.580.00 lakhs.

2. In the reference 2nd read above, The ENC, RWS, Hyderabad has stated that the Technical Advisor, SSSWP Board, hyderabad has requested for sanction of 30 MLD Rapid Sand Filter and other connected works for Augmentation of Chitravathi Balancing Reservoir based CPWS schemes in Ananthapur Dist. The Dist. Collector, Ananthapur has also requested the Government for sanction of the above work for providing safe drinking water.The ENC, RWS has also stated that the CPWS schemes are functioning based on infiltration wells dug in Chitravathi River at Chitravathi Balancing Reservoir viz Peddakotla-Puttaparthi and Chinnakotla-Kadiri. These infiltration wells were dug during the year 1994-95 when the CBR dam was under construction. Now the dam is completed upto crest level and the infiltration wells in the bed are submerged in the reservoir water for the past three years. The ENC,RWS has further stated that the estimate for construction of 30 MLD RSF water treatment plant is prepared based on Common SSR for the year 2008-09 duly including all required provisions viz rural area alliance, Insurance, Bankers charges, Engaging technical personnel, labour cess/service tax and tender premium and cost is arrived at Rs.700.00 lakhs.

3. The Government after careful examination of the request of the Engineering-Chief, RWS&S, Hyderabad, hereby accord administrative sanction for the Augmentation of Chitravathi Balancing Reservoir based CPWS schemes –Construction of treatment plants at an estimated cost of Rs.700.00 lakhs under 15% ARWS 2009-10.
